Mission Statement

School of Coding is a safe, well-ordered and caring environment for learning. It delivers high-quality education to all its students and will support them in developing their individual potential for growth, self-worth and self-control.

High-quality outstanding teaching, and clear and consistent guidance and support will facilitate students in succeeding in education. Our broad and balanced academic and vocational curriculum will provide students with access to a range of qualifications as well as educational and social experiences, which will address their learning and emotional needs (including SEND and Mental Health support). Our purpose is to support every student to develop their true potential, make positive contributions to their families and find fulfilment in employment.

Values

1. Alternative Provision doesn't mean a dumping ground...it's mainstream with the reasonable adjustments to succeed
2. High standards and high expectations are incredibly important and are the cornerstones to a successful school
3. School of Coding should become the go-to place for educators from across the country to see best practice
4. Good simply isn't good enough
5. Learning is about a journey and there is more than one way to get to the destination
6. Qualifications, manners, respect and opportunity should be the foundations for students that need a second chance.

School Ethos

High standards – students are pushed to achieve beyond their potential, and staff work to ensure everything that we do is better than people expect.

Daring to Dream – students at School of Coding may have been in an educational setting where they lack aspiration to be successful, at School of Coding we challenge students to reach their potential and go on to further education and employment.

Traditional Values – some things often get forgotten in education, at School of Coding we pride ourselves on mutual respect, good manners, making a positive contribution, supporting one another and an orderly, and litter free environment.

Success – can come in many virtues, at School of Coding we celebrate the small steps every day and tell students when they are doing well. We ensure that students can have a successful future.

Personalised Support - all students at School of Coding have a Learning Coach who guides them, sets them bespoke targets and supports them in making social and academic progress.

Statement of Purpose

School of Coding prides itself on our ability to deal with students that may have found mainstream education difficult, but in turn, we will not settle for second best. We expect all our staff, students and visitors to adhere to the guidelines set out in this policy, without question.

- The School Uniform policy at School of Coding is based on the belief that school uniform:
- Promotes a sense of pride in the school
- Helps to create a sense of community and inclusive belonging within the school
- Establishes a clear sense of identity
- Supports the school's commitment to inclusion
- Prevents pupils from wearing 'fashion clothes' that could be distracting in class
- Is practical, smart, and designed with health and safety in mind
- Is considered good value for money by most parents
- Encourages positive behaviour and self-discipline, which in turn supports teaching and learning
- Encourages positive behaviour and in turn support their peers on how to behave correctly;

Students are expected to wear

School of Coding Jumper/jacket School of Coding polo shirt

Optional

Pair of earrings

Ring

Watch

- All uniform should be clearly labelled with the student's name
- Students are not permitted to wear trainers or shoes with platform soles or high heels for health and safety reasons. This includes shoes that look like trainers
- Hair should only be a natural colour. Green, blue, purple etc. is not acceptable and would be seen as a breach of our uniform policy
- Jackets, coats, scarves and gloves may not be worn in the school building and students will be expected to hand in outerwear in the designated area on arrival at school
- Fashion belts or bandanas are not permitted
- Hair bands should be plain black or dark blue
- Head scarves (worn only for religious reasons) must be plain black or dark blue
- Tights must be flesh colour or plain black
- Any other items of clothing are not permitted including hooded tops and cardigans

- Hats or caps should not be seen or worn inside school, except those of religious significance
- Make up should be kept to a minimum. Any make-up worn must be modest and discreet. Students will be asked to remove excessive makeup before joining lessons
- Large earrings are not permitted; only single studs or sleepers may be worn. Piercings are only permitted in ears, or a single small clear stud in noses. Facial piercings (including spacers) are not allowed
- Coloured nail varnish or acrylic/imitation nails should not be worn. If students are unable to remove nails immediately, they would be expected to remove these by the next school day

If, for any reason, your child cannot adhere to these requirements then they may be sent home to change.

Any breaches of this policy will be addressed according to School of Coding Behaviour Policy.

This policy links to our Safeguarding, SEND and Equality policies. We refer to the Equalities Act 2010, to ensure we consider information covered by this law.
